

Hold On

Words and music by Laura Hall ©2002

What about those times when you won't give me a clear sign
I am lost and so confused and I don't know just what to do
What about those days when I can't seem to find my way
And I can not hear your voice and make another stupid choice

CHORUS

That's when I know I've got to hold on and pray
And know that you are with me even when it doesn't feel that way
And when I'm having a very bad day is when I've got to hold on and pray

Lord I know that you have got a plan in store for me
But some days I've got no clue of what that plan might be
I struggle with my faith and I don't mean to be impatient
But Lord at times it seems that I have lost track of my dreams

CHORUS

Cause your ways are a mystery to me
And some days I want it all laid out so I can see
Why won't you make your will known to me Lord
